

Mrs. Fallavollita's 8th Grade Summer Reading Assignment

Every student is required to read *Cast Two Shadows* by Ann Rinaldi. The students should come back to school with an outline using the following criteria:

- 1) A description of 2 characters in the book
- 2) 6 important events in the plot of the story
- 3) A description of the outcome of the story
- 4) Your opinion of the book in regards to the subject matter, the believability of the characters or storyline, and the author's writing style
- 5) 3 questions you would like answered about the book
- 6) Choose 5 objects to represent important events, people, places, etc. in the book.

The student should be able to show a good understanding of the book in order to relate it to other readings and information given throughout the year.

The information above and objects will comprise a presentation the student will give on the first day of school. Therefore, the student should be familiar with both the information and objects and can speak clearly about them. They will be graded on both the information and how well it is presented in regards to clarity of voice, posture, and eye contact with their audience. Practicing before the presentation will be helpful.

Have a good summer!
